CENTRAL WEST END

Community Needs Assessment on Public Infrastructure

August 11, 2016 Schlafly Library

Tonight's Community Meeting

- 1) CWE Needs Assessment Committee
- 2) Presentation on Proposed Public Infrastructure Projects
- 3) Small Groups Breakout Session
 - Discussion & Survey
- 4) Committee's Next Steps

<u>Central West End</u> Needs Assessment Committee

Purpose:

- Identify the public infrastructure needs and gaps in services in CWE
- Create a 5-Year Action Plan (2017-2021) to address those needs

"Public Infrastructure" is the *built environment* that makes our neighborhood a more livable, walkable, and enjoyable place to live.

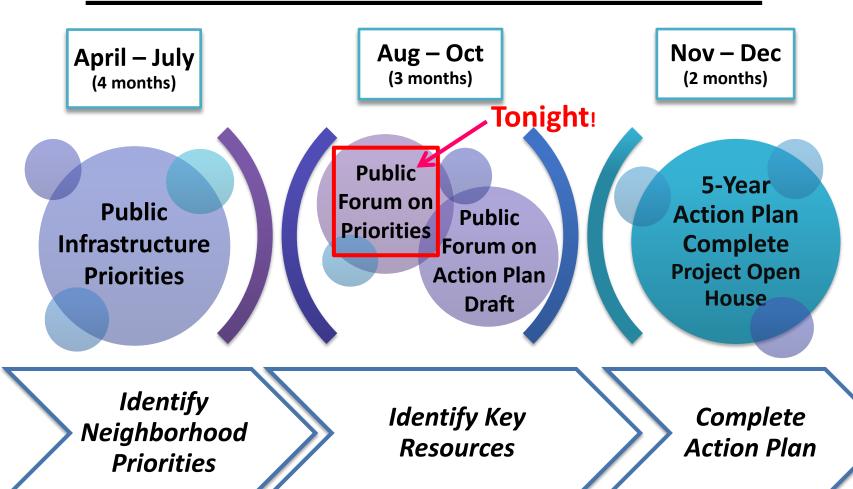

Proposed Public Infrastructure Projects

- 1) Pedestrian Lighting
- 2) Sidewalks
- 3) ADA Ramps & Crosswalks
- 4) Streets & Alleys
- 5) Trees Installation & Pruning
- 6) Public Art
- 7) Others?

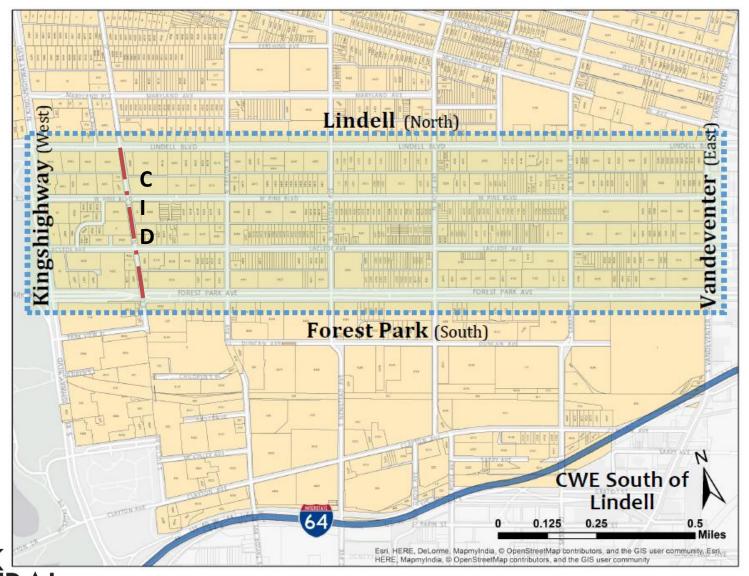

CWE Committee Timeline

CWE Neighborhood Boundaries

2016–2017 CWE Budgeted Projects

| FY 16-17 TOTAL Project Cost | \$ 172,000 |
|--|------------|
| Alley Resurfacing of 3900-4000 West Pine/Laclede | \$ 16,000 |
| Street Resurfacing of 4500 Laclede | \$ 36,000 |
| ADA Ramps & Sidewalks on Newstead | \$ 35,000 |
| Trial Speed Hump | \$ 5,000 |
| Dumpsters | \$ 15,000 |

Trees Installation & Pruning

| # OF TREES | STREET NAME | |
|------------------|-------------|--|
| 2 | Buckingham | |
| 10 | Forest Park | |
| 16 | Laclede | |
| 9 | Lindell | |
| 6 | N Boyle | |
| 1 | S. Boyle | |
| 3 | N. Euclid | |
| 3 | N. Newstead | |
| 4 | Sarah | |
| 12 | West Pine | |
| TOTAL CC CVA/E : | | |

TOTAL: 66 CWE trees

Why Public Art?

Public Art adds meaning to our cities and create uniqueness to our communities and neighborhoods...

...it is the mirror image of its community, an intersection between discipline and ideas.

Public Art is **truly for everyone**, even if some don't pay any attention to it, it is embedded in their way they think, feel and act.

Public Art Ideas

- Bike racks reused materials, cattail bike rack
- Bike kiosk station (at West Pine)
- Seating garden benches, shadow chairs
- Bollards
- Outdoor seating areas
- Newspaper enclosures
- Green walls
- Trash receptacles
- Garden art/planters
- Paving at intersections
- Pocket parks
- Entry or Intersection lighting

Small Group Discussion Public Infrastructure Project Needs

- 1) Pedestrian Lighting
- 2) Sidewalks
- 3) ADA Ramps & Crosswalks
- 4) Streets & Alleys
- 5) Trees Installation & Pruning
- 6) Public Art

OTHERS?

Small Groups Breakout Session

1. What are we missing?

What does this neighborhood still need to make it successful and attractive?

2. Prioritizing:

- Pedestrian Lighting
- ADA Ramps & Crosswalks

3. Survey: Rank your priorities from 1 to 6

(1 = most important, 6 = least important)

Next Steps

- Consensus on Key Infrastructure Needs
- Identify Key Resources
 - Next Community Meeting in October
- Create Action Plan
 - > By December 2016, Open House
